1. School: COP
   Program: Economics
   Degree: B.S.

2. What is being changed and what is the rationale for the change?
   We would like to change the requirements for the B.S. degree on the Mathematical Economics track. In the past we required ECON 160 for that track. Then we experimented with ECON 101L and ECON 103L as alternatives, because we were unable to offer 160 and to attract sufficient numbers of students.

   ECON 101L was more successful than 103L, so we would like to drop the latter course from the requirements.

3. Existing policy (if applicable):
   The B.S. in Economics required either ECON 160 or both ECON 101L and Econ 103L.

4. New policy (if applicable):
   The B.S. in Economics will require ECON 101L.
5. Catalog copy (if applicable):

Please remember to make the corresponding changes to your program's catalog copy when you receive page proofs for next year's catalog.
