Student Accounts & *insidePacific*

**eBill**

Pacific issues billing statements electronically. An email notification is sent to student’s u.pacific.edu email address each time a new bill is ready for viewing. Check your u.pacific.edu email and *insidePacific* accounts regularly for your billing statements and correspondence from Student Accounts.

**Authorized Users**

Students are required to set up parents, guardians or other third party bill payers whom they wish to have access to view their account. The student can establish this access through the “Manage Your Account” link on their *insidePacific* account. Once established, the Authorized User will receive a link, via email, to view statements and make payments. Online access is available 24/7 for your convenience.
Student Accounts Payment Options

Credit Card Payments

The University has contracted with the third party vendor Pay Path to assist you with online payments to a student’s account using a credit card. Pay Path accepts MasterCard, Discover and American Express. A non-refundable 2.75% convenience fee is added on the transaction amount. Visa cards cannot be used due to their strict guidelines pertaining to the use of convenience fees.

Beginning September 1st, 2010 Pacific will no longer accept credit cards for student account payments for tuition, room and board, and fees.

Other Payment Options

We encourage you to pay by cash, Cashier’s check, money order, check (mail or web) or ACH/ electronic fund transfer rather than by credit cards since these options do not bear a convenience fee.
