Presidential Symposium on
Social and Emotional Competence
in Higher Education

Wednesday, March 17, 2010

As part of the “Presidential Inaugural Series” celebrating the beginning of Dr. Pamela Eibeck's presidency, the Center for Social and Emotional Competence, the Division of Student Life, Thomas J. Long School of Pharmacy and Health Sciences, Gladys L. Benerd School of Education, the School of Engineering and Computer Science, and the Pacific Alumni Association present the Presidential Symposium on Social and Emotional Competence in Higher Education at Pacific.

Local and international experts highlight a daylong symposium showcasing best practices in student competence development. This symposium is part of Pacific’s culture and commitment to whole-person education and its mission to prepare students for responsible leadership in their careers and communities.
