I am requesting that funds in my PacificCash™ account be transferred to my Student Account due to:

Graduation

Withdrawal

From the University of the Pacific.

I understand that monies will not be refunded to me in a cash payment; however this transfer will reduce the balance on my Student Account. If the transfer of funds to my Student Account results in a credit balance on my Student Account, I can request a refund from my student account.

I understand and agree to terminate my PacificCash™ privilege by closing this account.
