Engineering & Computer Science Adjunct Professors Needed

The University of the Pacific School of Engineering and Computer Science invites applications for adjunct faculty positions.

A minimum of an MS in the field is required; with a PhD preferred. Possible areas include: bioengineering, civil engineering, computer engineering, computer science, electrical engineering, engineering management, and mechanical engineering. Excellent oral and written communication skills are essential.

Please email the following to engineeringadjunct@pacific.edu:

1. a cover letter indicating any teaching experience and areas and courses of interest;
2. a curriculum vita/resume;
3. Contact information for three references (including email address)

Qualified applicants will be contacted as positions become available.

University of the Pacific is an equal opportunity employer and is committed to broadening the diversity of its workforce.
