Re: Course offering request

I am requesting permission to offer the following courses for students in the Brubeck Institute Fellowship Program during the Fall 2010 semester.

- Jazz Harmony MUBI 193B-01 2 units Gilman
- Jazz Artist Survey MUBI 193D-01 2 units Gilman
- Jazz Repertoire MUBI 193E-01 2 units Gilman

The reason for the request is that this will be the fourth time these courses have been offered under the 193 designation, while University guidelines specify a maximum of three times.

As you know, this request was granted for the Spring 2010 semester with the intention of completing a long-range plan to deal with this permanently. David Chase, Joe Gilman (our musical director), and Giulio Ongaro have spent a good deal of time and effort on the plan, but it now appears that there is insufficient time to complete the work and have it considered by all necessary committees this term. However, it should be completed during the Fall 2010 term, and therefore, I'm submitting this request. I sincerely hope that for the sake of the students, you will be able to grant it.

If you have questions, please do not hesitate to call me at 946.3970, or email me at andersso@pacific.edu. Thank you for your thoughtful consideration.
