## Career Management

The Eberhardt School of Business places a significant value on the career success of its graduates and provides support and resources exclusive to business students. Through a required career seminar and personal guidance from our expert career consultant, students develop the skills and tools necessary to successfully navigate the search for internships and jobs. The Eberhardt Career Management Center has long-established relationships with employers in a diverse range of industries and business disciplines who provide internship and career opportunities to our students and graduates. Additionally, our support of Eberhardt graduates extends to our alumni to help them achieve greater success in their professional careers.

- Nearly 60% of business students participate in at least one internship during college
- About 80% of graduates are employed or attending graduate school within 3 months of graduation
- Average starting salary of business graduates is \$47,500; salary range is \$25,000 - \$80,000
- Recent employers include Adobe, Aerotek, Apple, Armanino LLP, Cisco Systems, Clorox, Deloitte, Disney World, E&J Gallo Winery, Ernst & Young LLP, First Investors, Foster Farms, Frito-Lay (PepsiCo), IBM, Intel, JB Hunt Intermodal, KPMG LLP, Morgan Stanley Wealth Management, Pacific Gas & Electric, Target, Williams-Sonoma
