PMBC NEWSLETTER

UNIVERSITY OF THE
PACIFIC
Conservatory of Music

Hello Everyone!

We'd like to start by thanking you all for joining us for the 2016 Pacific Music Business Camp! It was great meeting you, and you all accomplished some amazing things over the course of just one week.

We'd like to follow up and remind you of some items you can access. First, please check out the "PMBC 2016 Student Resources" folder in Dropbox. This includes the PowerPoints for many of the sessions from throughout the week, as well as lots more "how to" articles and tip sheets to help you learn more about how to succeed in the music industry. There is also a suggested reading list with some good books and websites worth checking out. Please contact Alyssa if you have not received the link to the folder and she will get it to you as soon as possible.

Next is a reminder that all of the tracks created by you are up on SoundCloud. They can be found through

this link: <https://soundcloud.com/pacificmusicbizcamp>

Please feel free to share the link and follow PacificMusicBizCamp on SoundCloud! You should also have received a link to a folder with the session files of your original songs. We'd like to remind you that these will be taken down on July 31st, so you have until then to access them. Please again let Alyssa know if you have trouble accessing the link.

We'd also like to announce a new contest in regards to the **2016 PMBC**

Post Camp Survey. We will be giving away a **\$25 iTunes gift card** to one person randomly drawn from those that complete the survey. An additional question has been added that asks for your name, so please be sure to fill that out if you'd like to be considered for the prize. For those of you who have already filled the survey out, please email Alyssa if you'd like to be entered in to win. This contest will be held open until August 7th at 11:59 p.m. and a winner will be chosen the next day. Previous comments from campers helped us make the necessary changes that led to the improvements to this year's camp such as the coaches for each Camper Creative Team, better ways of going about forming the teams, and the classes/sessions that were offered. We very much appreciate your feedback so we can continue to make camp the best experience possible for everyone! Here is the link to the updated Post Camp Survey: <https://www.surveymonkey.com/r/TX2MCLJ>

We'd also like to invite any of you who are 11th or 12th graders to consider scheduling a campus visit to Pacific if you'd like to learn more about the many degrees Pacific has to offer, including Music Industry Studies and Music Management. You can sit in on some classes, meet and talk with current students, and get an overview of what Pacific is all about during the regular academic year. To find out more about a campus visit simply contact [Professor Hatschek](#).

Again, thank you for joining us for camp this year, it was absolutely wonderful

to meet you all! We hope you had an amazing time and that you consider joining us again next year!

Until then, best of luck with your musical journey, we encourage you to keep in touch with the new friends and collaborators, too!

Thank you, and best,
