

Focus Area - International Engineering Management

Students custom design a plan of study to match their interests*

Math & Science 33 units min	Engr. Science core 13 units min	Engr. Mgmt. Core 31 units min	Engr. Discipline Electives 27 units min
Calculus I	Deans Seminar	Prin of Fin Accouting	Engr Elective
Calculus II	Computer Appl in Engr	Prin of Man Accounting	Engr Elective
Calculus III	Engr Mechanics I	Globalization: US and World	Engr Elective
Applied Diff Equations	Engr Sc. Elective	Global Environmental Policy	Engr Elective
Prob w/Appl to Statistics	Engr Sc. Elective	Special Topics	Engr Elective
Prin of Physics I		Engr Administration	Engr Elective
Math/Science Elective		Engr Project Mgmt	Engr Elective
Math/Science Elective		Systems Engr Mgmt	Engr Mgmt Synthesis

Gen Educ 24 units min	Co-Op 33 units min
Pacific Sem I	Prof Practice Seminar
Pacific Sem II	CO-OP 14 units
Pacific Sem III	CO-OP 18 units
Intro Microeconomics	CO-OP 18 units
Gen Educ (I, B or C)	
Engr Ethics & Society	
Modern Language
