

It's all at Pacific...

Oportunidades

- Accelerated professional programs in business, pharmacy, engineering, education, international studies and other majors
- Many students come to Pacific from Migrant Education, MESA, Puente, and other pipeline programs
- An aggressive financial aid program makes Pacific's quality education affordable

Creatividad

Pacific's Inter-American Initiative starts in 2008

- Casa Covell will offer a bilingual living and learning experience and infuse Spanish into campus life
- Students will begin developing bilingual and cross-cultural competence in their major field of study
- Learning from Latin America programs and issues forums will be added to the University's outreach program to the Hispanic community

Comunidad

- Wide variety of support programs including tutoring and peer advising
- Vibrant multicultural community sponsors a host of activities to promote multicultural awareness
- Small class sizes and faculty committed to teaching promotes strong faculty/student interaction

Superación

- In 2005, Pacific ranked fifth in the US in the number of professional Pharmacy degrees awarded to Hispanics
- Within 6 months of graduation, 97% of Pacific students are employed or in graduate school

¡Bienvenidos a Pacific!

Astronaut José Hernandez,
a Stockton native from a migrant worker family graduated in 1984 from Pacific's School of Engineering and Computer Science
