Instructions for accessing Resident Assistant Application

Dear Applicant,

As we continue to resolve the technical issues with the Resident Assistant application, please complete the following steps to gain access to the application.

1. Email rasearch@pacific.edu with your first name, last name, Student ID number, and @u.pacific email address. Information must be submitted by 5pm on Friday, January 23, 2015. Late requests will not be accepted.

2. A staff member will provide you with access and notify you via email once you have been given access to the application. Please note that the university will be closed December 24th through January 4th. A staff member will be able to respond to messages prior to or after this time period.

3. The application will be due by 11:59pm on Sunday, January 25, 2015.

Below you will find portions of the application you can begin while waiting for access. We encourage you to work on these items to help speed up the application process once you gain access.

Applicants will need to submit the following items as part of their application process:

1. Resume
2. Name and contact information (name, phone number, and email address) of two references
3. A list of anticipated activities/involvement for the 2015-2016 year along with the number of days per week and hours per week that will be spent with each activity.

Additionally, applicants will need to provide a response to the following questions:

1. Please provide a statement of no more than 200 words explaining: Why are you interested in the Resident Assistant position?
2. Please provide a statement of no more than 200 words explaining: What experience will you bring to the position that will make you a successful RA?
3. Please provide a statement of no more than 200 words explaining: What does community mean to you? How would you engage the residents to build community as an RA?

Applicants who are interested in working in a Learning Community will also need to respond to the following questions:

1. If you are interested in working in a Learning Community please explain: Why do you want to be an RA in a Residential Learning Community?
2. What experiences would you bring to a Residential Learning Community?

More information about learning communities can be found at http://www.pacific.edu/rlcs.

General questions can be directed to rasearch@pacific.edu. Thank you for your patience.

Sincerely,

RA Search Committee
