*****Safety Advisory*****

Early Monday morning, September 7, 2009, a student was arrested at McConchie Hall for possession of a firearm on campus. No one was hurt, thanks to quick action from residential advisors and a student who reported the gun to Public Safety. The student is a minor and is currently in custody pending court proceedings. The matter is being handled by the San Joaquin District Attorney's office.

Pending the District Attorney's investigation, the student has been suspended and banned from the campus. A University Judicial Review will be convened once the student is released from custody. The student's identity will not be released, due to juvenile status and the requirements of the Family Educational Rights and Privacy Act.
