A Pacific student reported this afternoon that he was robbed while walking along the north side of the Calaveras River along the bike path, while passing beneath Pacific Avenue. According to the student, he was approached by two men, one who had a kitchen-style knife and asked for the victim’s belongings. The suspects took his keys and identification and then fled on foot.

Both suspects were described as males, age 18-20, both wearing dark hooded sweatshirts. One man had a pony tail.
