Welcome to all new and returning students. Our hope for you is that you will have a rewarding and successful year. The Department of Public Safety is here to support you in any way we can. Pacific takes great measures to ensure a safe campus environment, it is important to remember that personal safety also rests with you.

As new members of our Pacific community we would like to recommend that if you drive a vehicle on campus please familiarize yourself with all parking and motor vehicle policies found in the Tiger Lore. We encourage you to bring a bicycle to campus, as it supports the environment. We recommend that you have your bicycle registered (this can be done in our department) as well as using a U-bolt lock to secure your bicycle.

Pacific is one of the safest places to be in Stockton. You can help deter potential thefts by:

- Keeping your residence doors locked
- Locking your car and make sure all valuables are out of sight
- Not leaving your valuables (backpack, laptop, phone, ipod, purse) at a table or in a classroom unattended—even for a few minutes
- Locking your bicycle with a u-bolt
- Calling public safety anytime you see something suspicious

We value your partnership and we are here to help and support you in any way we can.

Public Safety also offers escorts provided by the STRIPES program. Hours are 6pm-2am daily. Please call 209 598-2546 during these hours or Public Safety after hours—209 946-2537.

Please feel free to come by our office or stop any of our officers and talk, laugh and ask questions. We are a 24 hour service year round.
A shuttle service for students has been established on the Stockton Campus to make it easier and safer for students to travel across campus at night. The service was one of several safety recommendations raised during President Pamela Eibeck's Townhall meeting on safety.

The on campus service runs every Thursday, Friday and Saturday from 6:30 p.m. to 2 a.m. To find out where the shuttle is in its route or to request a ride call 209.470.6233 or "93 A RIDE" during shuttle operation hours.

The shuttle has established points on campus to pick up and drop off students, but students can also flag down the van while it is on route between stops. The designated stops are at:

- Entrance to Town house parking lot.
- Monagan Hall parking lot
- Burns Tower/Pacific Circle
- Presidents & Atchley Way
- Atchley Way & Dave Brubeck (S/W)
- Stagg Circle
- Olsen Hall & N. Service Road
- Raymond Lodge
- A.G. Spanos Center (only during events)

The service starts at Monagan Hall and circles the campus in a clock-wise direction, stopping at each location on the way. It takes the van approximately 30 minutes to complete a circuit.
In addition to the on campus shuttle service there is now an off campus shuttle service that runs on Fridays and Saturdays from 6:30 PM to 2:00 AM. This shuttle will transport people by phone request to the following locations.

- Greyhound
- Amtrack
- St. Josephs Hospital
- Dameron Hospital
- Downtown Theater
- Weberstown Mall
- Sherwood Mall
- Lincoln Center
- Miracle Mile

To request a ride call 209.470.6233 or "93 A RIDE"

Our S.T.R.I.P.E.S. program provides escorts on a daily basis. Hours: 6pm—2 am

Please call 209 598-2546 during these hours for a ride.
Please visit Public Safety’s Office on the north side of campus. We are located in the basement level of the Cowell Wellness Center. Public Safety has several publications and brochures covering many important safety topics that are available in our lobby. Some of the publications include Partnering with our community for a safer campus, Identity Theft, Personal Security, Fire Safety, Preventing Hate Crimes, How to help a troubled friend, Unattended & Unsecured Property Theft Brochure, Safety Escort Services, Shuttle Services, and Bicycles Safety on Campus.

The University of the Pacific Public Safety Department has been continually working to expand and improve the programs and services we provide to our community.

We currently have several videos covering many important safety topics that are posted on the Public Safety website. Please take a moment to review and learn more about campus safety.
