Guidelines for the Los Rios Guaranteed TAA with the University of the Pacific for Junior & Community College Counselors from the Los Rios Community College District

In addition to filing a TAA, a student must apply to University of the Pacific by submitting a completed Transfer Application for undergraduate admission by the transfer application deadline of the term they are applying for. This application is free online at go.pacific.edu/transfer.

A completed Transfer Application includes:
- Completed Transfer Application for Admission
- Official transcripts from all institutions the student has attended
- Letter of Recommendation (optional)
- Personal Statement

Transfer Admission Agreement

1. Only Los Rios Community College students can apply for a Los Rios TAA.

2. Please double check the eligibility of your major prior to filling out the TAA. Some majors are not options for this agreement. The list can be found on the TAA site.

3. TAA students must apply for fall admission. Spring students must apply without a TAA. Summer is not a valid term of entry. Students are recommended to submit their admission application by Feb 15th for priority fall admission.

4. The TAA must be submitted with transcript(s) by January 15th, the year applying for admission.

5. Students must have an overall cumulative GPA of a 3.0, and no grade below a C in their most current semester/quarter.

6. When evaluating the GPA, be aware that academic renewal does not apply. We will use the most current grade if a class has been repeated. Grades of C- or lower do not carry units, though they do count in the GPA calculation. Non-transferable courses do not count in the GPA calculation.

7. If a student has any foreign coursework, they will have to complete the WES evaluation as outlined on the international admission website at go.pacific.edu/international.

8. Students will complete 60 semester units (90 quarter units) or more, including specific courses for certain majors, not including work in progress during a student’s last spring term.

Please note the maximum number of transferable units accepted by Pacific from a two-year college is 70 semester units (105 quarter units).
Special Requirements for Certain Majors:
Please see the Required & Recommended Coursework link to determine if the major of interest has any additional requirements at go.pacific.edu/transfer.

Special Notes

1. International students must submit supporting documentation. For more information, please refer to the international admission website at go.pacific.edu/international.

2. The TAA must be submitted with transcripts from all colleges attended. Legible unofficial copies are acceptable, but official transcripts must be sent with a student’s Transfer Application for Admission. If a student wants credit for AP or IB exams, they must send official test results.

3. If a student has attended a college or university outside of the U.S., the coursework must be evaluated by WES as outlined on the international admission website at go.pacific.edu/international.

4. A student must use their full legal name on the contract and undergraduate admission application. Names must be consistent in spelling.

5. All information should be sent to:

University of the Pacific
Office of Admission
3601 Pacific Avenue
