Residential Living Policy

National studies have shown that students who live on campus earn higher grades, are more likely to graduate, and report higher levels of satisfaction in their collegiate experience. As a result, Pacific requires all full-time undergraduate students to live on campus for their first four semesters at the University; excluding summer sessions. Exceptions to this policy are limited to:

1. students who are under the age of 17 and over the age of 21, or
2. students transferring to Pacific with over 56 credits (excludes credits obtained through AP coursework or summer bridge programs), or
3. students who have lived on campus at another higher education institution for four semesters (excluding summer sessions), or
4. students who live with their parents/guardians in their permanent residence within 50 miles of Pacific’s Stockton campus, or
5. students who are participating in a specific academic program involving study abroad or a non-local internship or cooperative education experience which is more than 50 miles of Pacific’s Stockton campus, or
6. students who are married, in a registered domestic partnership, or a similar legal relationship and present a valid, certified copy of a Certificate of Marriage, Certificate of Registered Domestic Partnership, or similar document issued by a government or other legally authorized authority.

Student must submit in writing to the Housing and Greek Life Office by June 30, 2015, any request to be released from the Residential Living Policy along with proper documentation to support their request. If Student does not request or is not released from the Residential Living Policy, Student will still be billed for housing and dining fees. Once Student has submitted a signed Agreement, the exceptions listed above shall not be available to Student.

Dining Options

Pacific offers students a variety of dining options, through different plans and our different dining facilities including the Marketplace (our main dining hall), The Lair, Calaveras Coffee House, Davey's Café, Health Sciences Café, the Grove and The E.A.T. Gourmet food truck. Each facility features a variety of menus including such things as a salad bar, home-style soups, freshly baked desserts and beverages. There is a wide selection of entrées and vegetables. At least one vegetarian entrée is featured at each meal. All students living on campus are required to participate in a meal plan. Instead of recording meals per day or per week, you have the ability to use your Dining Points to buy food you want to eat, whenever and wherever you are hungry. The Resident Dining Account works like a debit card, with all the funds loaded into your account at the beginning of each semester. The Dining Points amount placed on your Resident Dining Account each semester is determined by the meal plan you choose. Each time you make a purchase, the amount is deducted from your balance. After each purchase, the remaining Dining Points are displayed on the cash register, printed on your receipt, and available online, so you can keep track of your remaining balance throughout the semester.

Anticipated Costs for 2015-2016

Double Occupancy - $6,159 per semester
*Single Occupancy starting at - $6,325 per semester
Pricing includes a silver meal plan.

**Apartment Communities - $5,428 Per semester
*Pricing includes bronze meal plan.

**Apartment communities are reserved for upper-division students.
Prices are for standard living spaces. Prices may vary between facilities and meal plan choices.
