Revised catalog description (attach additional sheet if necessary). Attach a syllabus:
no change

Describe the proposed changes and provide a rationale (attach additional sheet if necessary).
Rather than a single grade for DHYG146, we'd like to reflect a separate clinic grade (DHYG146) and lecture grade (DHYG145) - DHYG146 will remain as course number for clinic portion of class

If approved, when will this be implemented? Fall [ ] Spring [x] Year 2004

What is the anticipated impact on resources (e.g., Faculty, funds, library materials, etc.)?
no change

Describe any special facilities, furnishings, or technical needs. List software needs, if any.
no change
