

PMBC NEWSLETTER

Dear Prospective Music Business Campers!

We're excited to announce the dates for the 4th annual Pacific Music Business Camp. This year's edition will be held from Sunday, June 12th through Saturday, June 18th, 2016. Camp will be held on the beautiful UOP campus in Stockton, California. Campers will have

inner workings of the music industry. We'll be profiling some of our talented faculty members in upcoming editions of our PMBC newsletter leading up to this year's camp.

Based on the knowledge and skills last year's campers displayed in music production, we've decided to add a third track. For 2016 we will offer the choice of Songwriting, Music Producer Introduction, and Music Producer Advanced. If you're already using music production tools and sharing your music online, you may be ready for the Advanced track.

Once again, there will be Camper Creative Teams formed up so that every student has the opportunity to help contribute to the creation of an original song that will be premiered at our

closing recognition event on Saturday, June 18th. We're enhancing the way the Camper Creative Teams collaborate by increasing their time together and assigning a coach to each one. The goal of these teams is to create a stimulating musical environment that encourages all campers to comfortably express artistic ideas. Each team will share their ideas in song circles. The best song from each creative team will be recorded and included on the Pacific Music Biz Camp CD project. The new songs composed and recorded by last Year's Camper Creative Teams were a huge success. You can hear them by clicking

on links that can be found on the [Pacific Music Camp Facebook](#) page.

For the academic part of the camp, we're focusing in on the topics that are of most interest to you. These include: finding your niche market, creating a press kit, an artist's team of advisors, and how to protect and sell your music. We'll also have a full range of social events including a movie night, pool party, and jam sessions.
