This continuing educational course is proudly sponsored by SVPhA, SJPhA, and University of the Pacific Thomas J. Long School of Pharmacy and Health Sciences. Come and join us for some wine, chocolate and light appetizers. Registration form is attached on the flyer. Please R.S.V.P. by 8/1/14 to SVPhA by (1) emailing sacvalleypha@gmail.com and (2) mailing registration form and $20 reservation check (payable to SVPhA) to 6675 Riverside Blvd, Sacramento, CA 95831. The host pharmacy school’s faculty, alumni, students, & IPPE/ APPE preceptors will receive full refunds as well as CPhA members. Students from other pharmacy schools will receive a partial refund of $15.

Educational Objectives:
• Describe the current controversies surrounding the health benefits of moderate wine and chocolate consumption.
• Identify the known and debated flavonoids and polyphenols contained in wine and chocolate and describe the mechanisms of action on cardiovascular health.
• Define the types of chocolate and wine are hypothesized to have cardioprotective effects and quantities need to be consumed for benefits.
• Describe the known adverse effects of wine and chocolate consumption and define the populations that should avoid these foods.

This course has been designated by the California State Board of Pharmacy as meeting its CE requirements for 1 hour or (0.10 CEU) of credit. University of the Pacific, Thomas J. Long School of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. In accordance with ACPE requirements for credit in order to receive continuing education credits, participants are required to participate in education sessions, complete program evaluation forms, complete the self-assessment pre and post-test and sign in.

PLEASE NOTE: As of January 1, 2013 all ACPE providers have been asked to discontinue mailing CE Certificate paper statements of credit. University of the Pacific, Thomas J. Long School of Pharmacy and Health Sciences will upload the continuing education credits for this program directly to attendee NABP profiles (CPE Monitor) within 30 days of completion. Paper statements of credit will NOT be mailed for this event. If you need to create an NABP e-Profile or have forgotten your ID number, please visit bit.ly/NABP e-profile or call 847.391.4406.
