HEALTH CARE REFORM NOTICE

This summary of benefits has been updated to comply with federal and state requirements, including applicable provisions of the recently enacted federal health care reform laws. As we receive additional guidance and clarification on the new health care reform laws from the U.S. Department of Health and Human Services, Department of Labor and Internal Review Services, we may be required to make additional changes to this summary of benefits.

WHEN COVERAGE BEGINS

Coverage under the Plan once premium has been collected will become effective at 12:01 a.m. on the later of, but no sooner than:
- The Master Policy effective date;
- The beginning date of the term for which premium has been paid;
- The day after the Enrollment Form (if applicable) and premium payment are received by the Wells Fargo Student Insurance, Authorized Agent or University; or
- The day after the date of postmark if the Enrollment Form is mailed.

IMPORTANT NOTICE - Premiums will not be pro-rated if the Insured enrolls past the first date of coverage for which he or she is applying. Final decisions regarding coverage effective dates are made by Anthem Blue Cross Life and Health.

The below enrollments will be allowed a 30 day grace period from the term start date to enroll whereby the effective date will be backdated a maximum of 30 days. No policy shall ever start prior to the term start date:

1. All hard-waiver and mandatory (if required by the school) insurance programs.
2. All re-enrollments into the same exact policy if re-enrollment occurs within 30 days of the prior policy termination date.

Insurance of all Insured Persons terminates at 12:01 a.m. on the earlier of:
- Date the Master Policy terminates for all Insured Persons; or

Anthem Blue Cross Life and Health maintains its right to investigate student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever Anthem Blue Cross Life and Health discovers that the Policy eligibility requirements have not been met, its only obligation is a pro-rata refund of premium.

Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the Student Health Insurance Plan within 30 days of loss of coverage. These students must provide Wells Fargo Student Insurance with proof that they have lost insurance through another group (certificate and letter of ineligibility) within 30 days of the qualifying event. The effective date would be the later of: a) term effective date, or b) the day after prior coverage ends if enrollment request is received by Wells Fargo Student Insurance within 30 days from loss of prior coverage.
You can view the standard Summary of Benefits & Coverage (SBC) which is required by Health Care Reform. It summarizes your coverage in a format that all insurance companies now use. Students attending the Stockton campus are required to use the services of Pacific Health Services (HS) first prior to seeing an off-campus provider. HS Referrals are recommended, but NOT required for students attending the Sacramento and San Francisco campuses. Expenses incurred for medical treatment rendered outside of the SHC for which no prior approval or referral is obtained are excluded from coverage. The SHC Referral Requirement applies to ONLY the Stockton Campus students.

The SHC Referral Requirement does not apply to:
- Students attending Sacramento and San Francisco campuses.

A SHC referral for outside care is not necessary only under the following conditions:
1. A medical emergency. The SHC must determine that the services rendered were for emergency care as defined. For any follow-up care, you must return to the SHC;
2. When the SHC is closed;
3. When you need medical treatment or services during an academic break or vacation periods.
4. When you need medical treatment or services and you are more than 30 miles from the campus.
5. Services received for pregnancy and maternity care.
6. Mental health services.

SERVICES: Pacific Health Services provides a wide variety of services similar to a family practice office including but not limited to:
- Diagnosis and treatment of illnesses and injuries
- Lab work
- Dietitian consultation
- Physicals
- Immunizations
- Referrals
- Telephone nurse advice
- Women’s care
- Medications

COSTS: If you are enrolled in 9 or more units on the Stockton campus, you are charged a Cowell Wellness Center fee of $120 per semester or $40 per summer session. If you are enrolled in 1 or more units on the San Francisco campus, you are charged a Cowell Wellness Center fee of $60 per quarter. This fee allows you to be seen at Pacific Health Services, Counseling and Psychological Services and by the Registered Dietitian with no office-visit fee. If you are on the Sacramento campus or are enrolled in less than 9 units on the Stockton campus, you will have to pay this fee before you can be seen.

REIMBURSEMENT OF CHARGES: Those students who enroll in the Student Health Insurance Plan (SHIP), will have 100% reimbursement for services provided by the SHC Practitioner. Other covered services will be reimbursed according to Schedule of Benefits. In addition to the reimbursement, students who are enrolled in the SHIP will have NO co-pay for SHC office visits, as they normally might at an outside provider’s office.

PPO PRUDENT BUYER NETWORK

Please read the following information so you will know from whom or what group of providers health care may be obtained. Covering all California ZIP codes, the Prudent Buyer network is the most geographically extensive PPO network in the state. The suitcase icon on your Medical ID card indicates that this plan can be used outside of California. The PPO network allows Insureds easy access to a wide range of medical providers. Insureds have the option to receive care from a provider who is not participating in the PPO network. The trade-off is higher out-of-pocket expenses. Participating providers (PPO Providers) agree to provide services to covered persons at discounted rates as payment in full. This is the incentive for Insureds to use PPO providers and protects them from being balance-billed (except for coinsurance, co-payments and deductible amounts). Providers working within a PPO facility (example: a hospital) may not always be PPO providers. You should request that all of your provider services be performed by a PPO Provider when you use a PPO facility. When Non-PPO providers are used, you may be subject to higher out-of-pocket expenses.

Additionally, PPO physicians agree to admit their patients to network hospitals, guaranteeing that discounted charges and utilization management savings will occur. With no claim forms to file, Insureds can focus on their health, not paperwork. Insureds can find a PPO physician in their area by calling Anthem at (855) 296-0864, or by accessing the “Find a Doctor” link on www.anthem.com/ca.
CONTINUOUS COVERAGE

This Plan may be replacing a Prior Plan with another insurer. Prior Plan means (a) the SHIP or policies issued to University of the Pacific immediately before the current Policy; (b) other policies providing Creditable Coverage as defined in this Plan. Injury or Sickness shall include an Injury sustained, or a Sickness first manifesting itself, while the Insured Person is continuously insured under the Prior Plan and became insured under this Plan without a break in coverage. But no benefits shall be payable for such Injury or Sickness to the extent that such benefits are payable under the Prior Plan for the same expenses. This will apply even though the Prior Plan provided that it will not duplicate the benefits under another Policy. Also, the total amount of benefits payable for Injury or Sickness under this Plan and the Prior Plan cannot exceed the Per Benefit Year Maximum.

WITHDRAWAL FROM SCHOOL

If you leave University of the Pacific for reason of a covered accident or sickness, you will be eligible for continued coverage under this Plan for only the first term immediately following your leave, provided you have approval by your school and any applicable regulatory authority, and you were enrolled in this Plan for the term previous to your leave. Enrollment must be initiated by the student and is not automatic. All applicable enrollment deadline dates apply. You must pay the applicable insurance premium. Please contact Wells Fargo Student Insurance at (800) 853-5899 regarding continuation of coverage.

PREMIUM REFUND/CANCELLATION

Refund requests should be directed to Wells Fargo Student Insurance at (800) 853-5899 or via email at studentinsurance@wellsfargo.com. A refund of premium will be granted for the reasons listed below only. No other refunds will be granted.

1. If you withdraw from school within the first 45 days of the coverage period, you will receive a full refund of the insurance premium provided that you did not file a medical claim during this period. Written proof of withdrawal from the school must be provided. If you withdraw after 45 days of the coverage period, your coverage will remain in effect until the end of the term for which you have paid the premium.

2. If you enter the armed forces of any country you will not be covered under the Master Policy as of the date of such entry. If you enter the armed forces the policy will be cancelled.

INSURANCE PAYMENTS WITH PERSONAL CHECK

(Note: personal checks are not always a payment option. Please check your school’s enrollment form for available payment options.) If you make your insurance payment via personal check payable to Wells Fargo Student Insurance and we are unable to process the check (due to insufficient funds, closure of account, etc.), your insurance coverage will be terminated retroactive to the effective date of the enrolled term.

REIMBURSEMENTS FOR ACTS OF THIRD PARTIES

Under some circumstances, an insured person may need services under this plan for which a third party may be liable or legally responsible by reason of negligence, an intentional act or breach of any legal obligation. In that event, the insurer will provide the benefits of this plan subject to the following:

1. The Insurer will automatically have a lien, to the extent of benefits provided, upon any recovery, whether by settlement, judgment or otherwise, that you receive from the third party, the third party’s insurer, or the third party’s guarantor. The lien will be in the amount of benefits the Insurer has paid under this plan for the treatment of the illness, disease, injury or condition for which the third party is liable.

2. You must advise the Insurer in writing, within 60 days of filing a claim against the third party and take necessary action, furnish such information and assistance, and execute such papers as the Insurer may require to facilitate the enforcement of their rights. You must not take action which may prejudice the insurer’s rights or interests under your plan. Failure to give the Insurer such notice or to cooperate with the Insurer, or actions that prejudice the Insurer’s rights or interests will be a material breach of this plan and will result in your being personally responsible for reimbursing the Insurer.

3. The Insurer will be entitled to collect on their lien even if the amount you or anyone recovered for you (or your estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss you suffered.

ARBITRATION AGREEMENT

Any dispute or claim, of whatever nature, arising out of, in connection with, or in relation to this plan or the Master Policy or breach or rescission thereof, or in relation to care or delivery of care, including any claim based on contract, tort, or statute, must be resolved by arbitration if the amount sought exceeds the jurisdictional limit of the small claims court. Any dispute or claim within the jurisdictional limits of the small claims court will be resolved in such court.

The Federal Arbitration Act will govern the interpretation and enforcement of all proceedings under this Binding Arbitration provision.

The insured person and Anthem Blue Cross Life and Health Insurance Company agree to be bound by this Binding Arbitration provision and acknowledge that they are each giving up their right to a trial by court or jury.

The insured person and Anthem Blue Cross Life and Health Insurance Company agree to give up the right to participate in class arbitration against each other.

The arbitration findings will be final and binding except to the extent that California or Federal law provides for the judicial review of arbitration proceedings.

The arbitration is begun by the insured person making written demand on Anthem Blue Cross Life and Health Insurance Company. The arbitration will be conducted by Judicial Arbitration and Mediation Services (“JAMS”) according to its applicable Rules and Procedures. If, for any reason, JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by mutual agreement of the insured person and Anthem Blue Cross Life and Health Insurance Company, or by order of the court, if the insured person and Anthem Blue Cross Life and Health Insurance Company cannot agree. The arbitration shall be held in the State of California.

For Stockton:
Students attending the Stockton campus are required to use the services of Pacific Health Services (HS) first prior to seeing an off-campus provider for services within thirty miles of the campus. Expenses incurred for medical treatment rendered outside of the SHC for which no prior approval or referral is obtained are excluded from coverage. The SHC Referral Requirement applies to ONLY the Stockton Campus students.

Students must use the resources of the Student Health Center (SHC) first where treatment will be administered or referral issued. For all others:
The SHC will diagnose and treat most illnesses and injuries, and provide a referral, when necessary, to a PPO or non-PPO provider (see benefits listed below). Referrals are made at the sole and absolute discretion of the SHC. The referral does not constitute a guarantee of payment; the services must be medically necessary and a covered benefit under this plan. HS Referrals are recommended, but NOT required for students attending the Sacramento and San Francisco campuses.

Insured persons are responsible for the difference between the provider’s usual charges and the maximum allowed amount.

1. These providers are not represented in the PPO Network
2. For California facilities, a discount applies if the facility has a contract with us for fee-for-service business. For California facilities without a contract, the maximum allowed amount for non-emergency hospital services and supplies is reduced by 25%, resulting in higher out-of-pocket costs for insured persons.
3. The dollar co-pay applies only to the visit itself. An additional 20% co-pay for insured students applies for any services performed in office (i.e., X-ray, lab, surgery).
4. Acupuncture services can be performed by a certified acupuncturist (C.A.), a doctor of medicine (M.D.), a doctor of osteopathy (D.O.), a podiatrist (D.P.M.), or a dentist (D.D.S).
## EXCLUSIONS AND LIMITATIONS

This list is only a partial list. Please refer to the School’s Certificate of Coverage for a complete list of exclusions.

The Master Policy does not cover nor provide benefits for:

1. **Not Medically Necessary.** Services or supplies that are not medically necessary, as defined.
2. **Experimental or Investigative.** Any experimental or investigative procedure or medication. But, if insured person is denied benefits because it is determined that the requested treatment is experimental or investigative, the insured person may request an independent medical review, as described in the Certificate.
3. **Outside the United States.** Services or supplies furnished and billed by a provider outside the United States, unless such services or supplies are furnished in connection with urgent care or an emergency.
4. **Crime or Nuclear Energy.** Conditions that result from (1) the insured person’s commission of or attempt to commit a felony; or (2) any release of nuclear energy, whether or not the result of war, when government funds are available for the treatment of illness or injury arising from the release of nuclear energy.
5. **Not Covered.** Services received before the insured person’s policy effective date. Services received after the insured person’s coverage ends, except as specified as covered in the Certificate.
6. **Excess Amounts.** Any amounts in excess of the maximum allowed amount or the Benefit Year Maximum.
7. **Work-Related.** Work-related conditions if benefits are recovered or can be recovered, either by adjudication, settlement or otherwise, under any workers’ compensation, employer’s liability law or occupational disease law, whether or not the insured person claims those benefits. If there is a dispute of substantial uncertainty as to whether benefits may be recovered for those conditions pursuant to workers’ compensation, we will provide the benefits of this plan for such conditions, subject to a right of recovery and reimbursement under California Labor Code Section 4903, as specified as covered in the Certificate.
8. **Government Treatment.** Any services the insured person actually received that were provided by a local, state or federal government agency, except when payment under this plan is expressly required by federal or state law. We will not cover payment for these services if the insured person is not required to pay for them or they are given to the insured person for free.
9. **Services of Relatives.** Professional services received from a person living in the insured person’s home or who is related to the insured person by blood or marriage, except as specified as covered in the Certificate.
10. **Voluntary Payment.** Services for which the insured person has no legal obligation to pay, or for which no charge would be made in the absence of insurance coverage or other health plan coverage, except services received at a non-governmental charitable research hospital. Such a hospital must meet the following guidelines:
   1. it must be internationally known as being devoted mainly to medical research;
   2. at least 10% of its yearly budget must be spent on research not directly related to patient care;
   3. at least one-third of its gross income must come from donations or grants other than gifts or payments for patient care;
   4. it must accept patients who are unable to pay; and
   5. two-thirds of its patients must have conditions directly related to the hospital’s research.
11. **Not Specifically Listed.** Services not specifically listed in the plan as covered services.
12. **Private Contracts.** Services or supplies provided pursuant to a private contract between the insured person and a provider, for which reimbursement under Medicare program is prohibited, as specified in Section 1802 (42 U.S.C. 1395a) of Title XVIII of the Social Security Act.
13. **Inpatient Diagnostic Tests.** Inpatient room and board charges in connection with a hospital stay primarily for diagnostic tests which could have been performed safely on an outpatient basis.

This exclusion does not apply to reconstructive surgery (that is, surgery performed to correct deformities caused by congenital or developmental abnormalities, illness, or injury for the purpose of improving bodily function or symptomatology or to create a normal appearance), including surgery performed to restore symmetry following mastectomy. Cosmetic surgery does not become reconstructive surgery because of psychological or psychiatric reasons.

CONTINUATION OF BENEFITS AFTER TERMINATION

Anthem Blue Cross Life and Health will extend benefits under the Plan for 30 days after the Insured’s coverage would otherwise end if on that date he or she is 1) Hospital Confinement for an Injury or Sickness covered by the Plan, and 2) under a physician’s care. Any benefits payable under this provision will not exceed the benefit maximums shown in the Schedule of Benefits. The cost of the Continuation of Benefits is one month’s premium.

HOW DO I FILE A CLAIM?

The Student Health Center (SHC) as well as some other providers do not bill insurance directly. In such an instance, an itemized statement will be provided to you for submission to your insurance company. This statement should be submitted within 90 days from receiving treatment for consideration of reimbursement. If you visit an Anthem Blue Cross network provider outside of the SHC, you should provide them with your ID card at the time of the visit and they may bill Anthem Blue Cross electronically.

Please note that all bills, with the exception of the SHC itemized statement, must be accompanied by a completed Anthem Blue Cross claim form in order to be considered for processing. You do not need to submit a claim form with your SHC super bill. Claim forms are available at www.anthem.com/ca. You are urged to send Anthem Blue Cross Life and Health each bill immediately upon receipt by mail to:

New ID cards will not be sent if you are renewing coverage with Anthem Blue Cross Life and Health and there are no benefit changes between plan years. Information that’s important to you: Every year, we’re required to send you specific information about your rights, your benefits and more. This can use up a lot of trees, so we’ve combined a couple of these required annual notices. Please take a few minutes to read about:

- State notice of privacy practices
- HIPAA notice of privacy practices
- Breast reconstruction surgery benefits

Want to save more trees? Go to anthem.com/ca and sign up to receive these types of notices by e-mail.

State notice of privacy practices: As mentioned in our Health Insurance Portability and Accountability Act (HIPAA) notice, we must follow state laws that are stricter than the federal HIPAA privacy law. This notice explains your rights and our legal duties under state law. This applies to life insurance benefits, in addition to health, dental and vision benefits that you may have.

Your personal information: We may collect, use and share your nonpublic personal information (PI) as described in this notice. PI identifies a person and is often gathered in an insurance matter. We may collect PI about you from other persons or entities, such as doctors, hospitals or other carriers. We may share PI with persons or entities outside of our company — without your OK in some cases. If we take part in an activity that would require us to give you a chance to opt out, we will contact you. We will tell you how you can let us know you do not want us to use or share your PI for a given activity. You have the right to access and correct your PI. Because PI is defined as any information that can be used to make judgements about your health, finances, character, habits, hobbies, reputation, career and credit, we take reasonable safety measures to protect the PI we have about you. A more detailed state notice is available upon request. Please call the phone number printed on your ID card.

HIPAA notice of privacy practices: This notice describes how health, vision and dental information about you may be used and disclosed, and how you can get access to this information with regard to your health benefits. Please review it carefully. We keep the health and financial information of our current and former members private, as required by law, accreditation standards and our rules. This notice explains your rights. It also explains our legal duties and privacy practices. We are required by federal law to give you this notice.

Your Protected Health Information: We may collect, use and share your Protected Health Information (PHI) for the following reasons and others as allowed or required by law, including the HIPAA Privacy Rule:

For payment: We use and share PHI to manage your account or benefits; or to pay claims for health care you get through your plan.

For health care operations: We use and share PHI for our health care operations.

For treatment activities: We do not provide treatment. This is the role of a health care provider, such as your doctor or a hospital. For example: we keep information about your premium and deductible payments; We may give information to a doctor’s office to confirm your benefits; We may share explanation of benefits (EOB) with the subscriber of your plan for payment purposes; We may share PHI with your health care provider so that the provider may treat you; We may use PHI to review the quality of care and services you get; We may also use PHI to provide you with case management or care coordination services for conditions like asthma, diabetes or traumatic injury; We may also use and share PHI directly or indirectly with health information exchanges for payment, health care operations and treatment. If you do not want your PHI to be shared for payment, health care operations or treatment purposes in health information exchanges, please visit www.anthem.com/ca for more information.

To you: We must give you access to your own PHI. We may also contact you to let you know about treatment options or other health-related benefits and services. When you or your dependents reach a certain age, we may tell you about other products or programs for which you may be eligible. This may include individual coverage. We may also send you reminders about routine medical checkups and tests.

To others: In most cases, if we use or disclose your PHI outside of treatment, payment, operations or research activities, we must get your OK in writing first. We must receive your written OK before we can use your PHI for certain marketing activities. We must get your written OK before we sell your PHI. If we have them, we must get your OK before we disclose your provider’s psychotherapy notes. Other uses and disclosures of your PHI not mentioned in this notice may also require your written OK. You always have the right to revoke any written OK you provide. You may tell us in writing that it is OK for us to give your PHI to someone else for any reason. Also, if you are present and tell us it is OK, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are not present, if it is an emergency, or you are not able to tell us it is OK, we may give your PHI to a family member, friend or other person if sharing your PHI is in your best interest.

As allowed or required by law: We may also share your PHI, as allowed by federal law, for many types of activities. PHI can be shared for health oversight activities. It can also be shared for judicial or administrative proceedings, with public health authorities, for law enforcement reasons, and with coroners, funeral directors or medical examiners (about decedents). PHI can also be shared with organ donation groups for certain reasons, for research, and to avoid a serious threat to health or safety. It can be shared for special government functions, for Workers’ Compensation, to respond to requests from the U.S. Department of Health and Human Services, and to alert proper authorities if we reasonably believe that you may be a victim of abuse, neglect, domestic violence or other crimes. PHI can also be shared as required by law. If you are enrolled with us through an employer-sponsored group health plan, we may share PHI with your group health plan. We and/or your group health plan may share PHI with the sponsor of the plan. Plan sponsors that receive PHI are required by law to have controls in place to keep it from being used for reasons that are not proper. If your employer pays your premium or part of your premium, but does not pay your health insurance claims, your employer is not allowed to receive your PHI — unless your employer promises to protect your PHI and makes sure the PHI will be used for legal reasons only.

Authorization: We will get an OK from you in writing before we use or share your PHI for any other purpose not stated in this notice. You may take away this OK at any time, in writing. We will then stop using your PHI for that purpose. But, if we have already used or shared your PHI based on your OK, we cannot undo any actions we took before you told us to stop.

Genetic Information: If we use or disclose PHI for underwriting purposes, we are prohibited from using or disclosing PHI that is genetic information of an individual for such purposes.

Your rights: Under federal law, you have the right to:

- Send us a written request to see or get a copy of certain PHI, or ask that we correct for any reason. Also, if you are present and tell us it is OK, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are not present, if it is an emergency, or you are not able to tell us it is OK, we may give your PHI to a family member, friend or other person if sharing your PHI is in your best interest.
- Send us a written request to ask us to correct any PHI that you believe is missing or incorrect. If someone else (such as your doctor) gave us the PHI, we will let you know so you can ask him or her to correct it.
- Send us a written request to ask us not to use your PHI for treatment, payment or health care operations activities. We are not required to agree to these requests.
- Give us a verbal or written request to ask us to send your PHI using other means that are reasonable. Also, let us know if you want us to send your PHI to an address other than your home if sending it to your home could place you in danger.
- Send us a written request to ask us for a list of certain disclosures of your PHI.

Call Customer Service at the phone number printed on your identification (ID) card to use any of these rights. Customer Service representatives can give you the address to send the request. They can also give you any forms we have that may help you with this process.

Right to a restriction for services you pay for out of your own pocket: If you pay in full for any medical services out of your own pocket, you have the right to ask for a restriction. The restriction would prevent the use or disclosure of that PHI for treatment, payment or operations reasons. If you or your provider submits a claim to Anthem Blue Cross (Anthem), Anthem does not have to agree to a restriction (see Your Rights section above). If a law requires the disclosure, Anthem does not have to agree to your restriction.

How we protect information: We are dedicated to protecting your PHI, and have set up a number of policies and practices to help make sure your PHI is kept secure. We keep your oral, written and electronic PHI safe using physical, electronic, and procedural means. These safeguards follow federal and state laws. Some of the ways we keep your PHI safe include securing offices that hold PHI, password protecting computers, and locking storage areas and filing cabinets. We require our employees to protect PHI through written policies and procedures. These policies limit access to PHI to only those employees who need the data to do their job. Employees are also required to wear ID badges to help keep people who do not belong out of areas where sensitive data is kept. Also, where required by law, our affiliates and nonaffiliates must protect the privacy of data we share in the normal course of business. They are not allowed to give PHI to others without your written OK, except as allowed by law.

Potential impact of other applicable laws: HIPAA (the federal privacy law) generally does not preempt, or override, other laws that give people greater privacy protections. As a result, if any state or federal privacy law requires us to provide you with more privacy protections, then we must also follow that law in addition to HIPAA.

Contacting You: We, including our affiliates or vendors, may call or text any telephone numbers provided by you using an automated telephone dialing system and/or a prerecorded message. Without limitations, these calls may concern treatment options, other health-related benefits and services, enrollment, payment or billing.

Complaints: If you think we have not protected your privacy, you can file a complaint with us. You may also file a complaint with the Office for Civil Rights in the U.S. Department of Health and Human Services. We will not take action against you for filing a complaint.

Contact information: Please call Customer Service at the phone number printed on your ID card. Representatives can help you apply your rights, file a complaint or talk with you about privacy issues.

Copies and changes: You have the right to get a new copy of this notice at any time. Even if you have agreed to get this notice by electronic means, you still have the right to a paper copy. We reserve the right to change this notice. A revised notice will apply to PHI we already have about you, as well as any PHI we may get in the future. We are required by law to follow the privacy notice that is in effect at this time. We may tell you about the changes in a number of ways.
