Introducing the Housing Portal

Navigating the Housing Portal

The Housing Portal is an important interface for communication with our office. The Housing Portal is ever-changing and will have pertinent links for the given time (e.g., Housing Selection, Early Check-in, Late Check-out, Housing Assignments). In addition, there are links to the paper-based forms (e.g., Facility Room Change, Housing Petition, Meal Plan Change).

The Housing Portal can be accessed by (1) Signing-in to InsidePacific, (2) Clicking ‘Enter the Housing Portal’ (from the ‘Living’ tab) and (3) viewing the landing page.

Only full-time, matriculated, degree-seeking students of the University are eligible and permitted to live in University student housing. An undergraduate student is considered a full-time student with 12 or more units, while graduate students are considered full-time students with 8-9 units per semester. Any exceptions must be submitted for approval by the Associate Director for Housing Administration in writing to Residential Life & Housing by September 9, 2016.

Students must be financially cleared by September 9, 2016, to retain their housing assignment. That is, students failing to make payments as required for tuition and other fees, such as housing and dining, prior to the start of the new semester will be unable to attend classes or use dining and housing facilities. For more information, please contact the Student Accounts Office at 209-946-2517, or at studentaccounts@pacific.edu.

This form will serve as a reference for cleaning, damage, and loss charges which are determined when you check-out. You & Your Room

Your Room
The typical size for a residence hall room is 12 feet x 12 feet. Apartment room sizes will vary. Residence hall rooms, apartments, and Greek facilities are fully furnished. Each bedroom is provided with the following:

The University will not place any furniture in storage to accommodate personal furniture items. Students are not to remove furniture from their room.

Plus, stream live TV, sports and movies anytime, anywhere with the XFINITY TV app. And you can even download your DVR recordings to watch offline. Getting started is easy. Your Roommate & Community

Community Living
The foundation of living in a residence hall, Greek, or apartment community is respecting the rights of others. The eight actions identified below seriously infringe on the rights of other community members and will not be tolerated. Violators may be evicted from on-campus housing, with no refunds, and may also be subject to additional disciplinary action.

- Actions which endanger the health and safety of other persons.
- Providing a common source of alcohol in on-campus housing.
- Intentional damage or destruction of University or Housing property.
- Use or possession of explosives, firecrackers, firearms, explosive materials, or weapons of any kind in campus housing.
- Sale, use, possession, or distribution of illegal drugs or narcotics.
- Throwing or dropping potentially dangerous objects out of windows.
- Misusing or tampering with fire safety equipment: fire alarms, smoke detectors, extinguishers, etc.
- Deliberately starting a fire in the residence halls, Greek facilities, or apartments.

Laundry Facilities
Washers and dryers are available in all residential communities at no additional cost. Your PacificCard is also your laundry card.

Contacting your Roommate
Roommates are an exciting part of on-campus living. Having a roommate can enhance your college experience. We encourage you to reach out to your roommate(s) once you receive contact information. Online sources are a great way to start this conversation, but do not rely on online sources to tell you everything. When you introduce yourself, you can share your likes, dislikes, and your fall class schedule. This is an easy way to break the ice. **You should also decide who is bringing what items to avoid having two refrigerators or two TVs!**

Communication is Key
Conflicts are bound to occur, even in the best roommate relationships. Do not be afraid of conflict. Resolving conflicts can lead to a better relationship and a more harmonious environment. If problems between you and your roommate do arise, you may find it helpful to follow these steps:

**Define the problem.** Take turns stating what is bothering you, how you feel about the problem, and what you want.

**Generate possible solutions.** Once you agree on what the conflict is, take turns describing possible solutions.

**Decide on a mutually acceptable solution(s).** Come to an agreement on one or more of the solutions and commit to carrying them out. Can the solution work? Is it fair to both of you?

**Implement the solution.** Develop a plan of action to achieve the desired solution and set a time frame in which to implement it.

**Evaluate the result.** Determine whether everyone is satisfied with the solution. If there are still problems, try to make necessary changes.

Remember, all roommates must be willing to compromise in order to find a viable solution. If a compromise seems impossible, don’t give up. An objective third party may be needed for resolution. Your Resident Assistant or Residence Director is available to help. Please feel free to call on them!
Technology & Services

The following information is a general overview of the services available while living on campus.

PacificNet (Internet)
Wireless access is available in the residence halls and apartment communities. Be sure to have a 802.11 A, B, G wireless card installed to use this service. Within the residence halls and Greek facilities there is also one PacificNet wired connection for every bed. Townhouse Apartments and McCaffrey Center Apartments are served by wireless Internet only. It is very important that you have a Network Interface Card (NIC) installed when you arrive on campus or you will not be able to get PacificNet Internet access. To use the PacificNet, students must agree to the Acceptable Use Policy in the Tiger Lore. For more information, please go online to www.pacific.edu/oit or contact the Student Technology Services (STS) at (209) 946-7400.

InsidePacific & Email
Pacific students are provided with a portal and email account. Students can log into InsidePacific (located at insidepacific.pacific.edu) using their PacificNet ID to get important University information, register for classes, check grades, and access their student accounts and email. Pacific urges students to use their Pacific email account, as it is the best way for Residential Life & Housing and other departments to contact you.

Parking
Parking on campus requires a permit except for visitor parking. Vehicles may only park in lots corresponding to their permit. You may park in “B” or “N” parking lots, which are adjacent to most residential facilities. “B” permits are for those students who reside on the south side of the Calaveras River. “N” permits are for those students residing on the north side of the Calaveras River. A “B” or “N” permit costs $100 for the year. “C” permits (commuter lot #1) are $25.00 and available for purchase in the Cashier’s Office ONLY.

Beginning early August, parking permits can be purchased online at the Pacific Parking website or by visiting the Cashier’s Office when you arrive to campus. You must obtain a parking permit within the first two weeks of classes or you will be cited. If you have questions regarding permits, call the Cashier’s Office at (209) 946-2040 or Public Safety at (209) 946-2537.

STRIPES & Campus Shuttle
STRIPES extends the presence of the University Police by providing escorts for students on campus seven days a week, from 6:00 PM to 2:00 AM. The STRIPES unit is composed of trained student volunteers who are employed to assist other students. You can text STRIPES at (209) 624-8747.

The Campus Shuttle provides off-campus transport on Thursdays, Fridays, and Saturdays from 6:30 PM to 2:00 AM to select locations around Stockton (e.g., Greyhound, Amtrack, Downtown Theater, Weberstown Mall, Sherwood Mall, Lincoln Center, and Miracle Mile). You can text the Campus Shuttle at (209) 624-8747.

Mail & Package Services
Mail is delivered and placed in student mailboxes by 5:00 PM, Monday through Friday. You will pick up your mail key through the campus Mailroom beginning on August 29th. If you receive a package or item that does not fit in your mailbox, a Parcel Notice will be emailed to your Pacific email. The Mailroom is located in the Support Service Facility, across the street from Public Safety and Cowell Wellness Center. Do not have boxes shipped to Pacific prior to your arrival; please wait until you have checked in.

University policy prohibits the unlawful possession, use, or distribution of alcohol and/or controlled substances on its property, or immediately adjacent thereto, as a part of any University-sponsored activity.

**Pet Policy**
The only permitted pets on-campus are fish, housed in a tank no larger than five gallons. Residents who violate this policy are subject to a charge equal to the actual cost of cleaning the residence hall room, Greek house or entire apartment, plus a $300 per-pet administrative fee. Additionally, the resident will be directed to remove the pet. Failure to comply with a directive to remove a pet will subject the resident to eviction, an additional $800 contract termination fee and referral to the Student Conduct & Community Standards office. Further, residents who violate this pet policy may be denied the opportunity to live on campus in the future.

**Guest Policy**
A “guest” is an individual who is not a resident of a particular room/apartment and who is present in a room/apartment at the invitation of a resident of that room/apartment. Students are permitted to have guests in their rooms subject to the following conditions:

- Overnight guests must have the approval of all residents of the room.
- Overnight guests may stay in a residential community for no more than three consecutive days and/or no more than four times each semester/term.
- Students must register overnight guests who are not on-campus residents with Residential Life & Housing prior to the guest’s arrival.
- No more than two concurrent overnight guests may stay in each room or apartment at any given time.
- Students are responsible for the conduct of all their guest(s).
- Guests will observe all University regulations and policies listed in Tiger Lore, and comply with the directions of all University employees. Any guest found in violation of any policy may be removed from the residential community and denied future visiting privileges.
Residential Life Staff

Each residence hall and apartment is staffed with team members committed to the success of their communities and the students who call them home. We encourage you to get to know your Residential Life staff. The following is a brief description of their responsibilities and roles.

**Resident Assistant (RA)**
RAs are the day-to-day contact persons with residents. RAs are responsible for building community on their floor/section, serving as a resource for residents and for communicating policies and regulations. They are first-responders in student conflict, crisis, and emergency situations. RAs are staffed in residence halls and apartment communities.

**Assistant Residence Director (ARD)**
ARDs are responsible for all the duties associated with the RA position. In addition, the ARD serves as an assistant to the Residence Director for their community, and help mentor and train Resident Assistants on staff. ARDs are staffed in select residence halls.

**Residence Director (RD)**
RDs are professionals with Master’s degrees or graduate students responsible for the operation of one to three residence halls, apartment communities or Greek facilities, which may include the supervision of ARDs and RAs. They ensure the proper upkeep of facilities and grounds, meet with students regarding policies and guidelines, and work with staff and students to build safe, positive and inclusive communities.

**Assistant Director (AD)**
ADs are live-on professionals, with Master’s degrees, who oversee an entire area of campus, which includes supervision of RDs. They supervise, train, and develop RDs, ARDs, and RAs. They ensure proper upkeep of housing facilities and grounds, and serve as the main conduct officer for their area.

The Meal Plan Account functions similar to a debit card. All funds are loaded onto your Meal Plan Account on your PacificCard at the beginning of each semester. The Dining Point amount placed on your Meal Plan Account each semester is determined by the meal plan you choose. A receipt is provided on request at the register. Meal Plans are for general Fall and Spring semesters and Pharmacy Fall, Spring and Summer terms. All changes to meal plans must be completed in writing prior to the start of each semester/term.

Meal Plan Specifics

**Students Living in Greek Communities** have their own in-house meal plan. The University assumes no liability for meals or cash allowances provided by fraternities or sororities. Students in Greek communities can also opt into any university meal plan.

Each facility features a variety of menu options (e.g. salad bar, home style soups, fresh local produce, sustainable seafood, side dishes, and freshly baked desserts). Involvement Opportunities

Fraternity & Sorority Life
Social Greek organizations have existed on college campuses around the country for more than 200 years, and continue to have a strong presence today, especially at Pacific. Traditions, rituals, and symbols may be different among the various Greek organizations, but many continue to exist today with the same focus of years past. Scholarship, community service, brother/sisterhood, and leadership development remain key aspects in the success of Fraternity and Sorority Life.

Each campus has a unique representation of Greek organizations, and Pacific is no exception to this tradition. Approximately 15% of Pacific students participate in a social Greek organization. The 12 organizations at Pacific exist among three governing bodies: the Interfraternity Council, the Multicultural Greek Council, and the Pacific Panhellenic Association. The organizations represented include:

- Alpha Phi
- Beta Theta Pi
- Delta Delta Delta
- Omega Delta Phi
- Delta Gamma
- Pi Kappa Alpha
- Gamma Alpha Omega
- Sigma Chi
- Kappa Alpha Theta
- Theta Chi
- Rho Delta Chi
- Xi Chi Sigma

For more information regarding Pacific’s social Greek organizations, please feel free to contact us at (209) 946-3004, via email at greeklife@pacific.edu, or visit our website at www.pacific.edu/greeklife.

Become a RA
Becoming a Resident Assistant is a great way to get involved. RAs receive a scholarship which assists with room and board charges. To be considered for an RA position, you must have a 2.5 cumulative GPA and be at least a sophomore. Applications and further information can be found online at www.pacific.edu/RAsearch.

Residence Hall Association (RHA)
The Residence Hall Association is the student government for all on-campus residence halls and apartment communities. RHA conducts educational, social, cultural, and recreational programming for all the halls. Anyone living in a residential facility belongs to RHA - that means you, your roommate and all your friends who live in the halls. RHA is here to represent and entertain YOU!

National Residence Hall Honorary (NRHH)
Another way to get involved in the residence halls is through the NRHH. NRHH is most known for recognizing communities, faculty, staff, students, and programs each month through monthly awards. Local award winners are submitted for regional and then national consideration within their category. Membership is restricted to 1% of the residents with a minimum of 26 units, 2.5 cumulative GPA, and two semesters at Pacific.
