Welcome to Pacific!

We are here to assist you with your transition to Pacific and make it as seamless as possible. Our goal is to ensure you receive the best service possible while attaining your educational and career goals at Pacific. Below is a ‘Path to Success’ to help you meet your goals while at Pacific.

Path to Success:

Complete and submit your application to Pacific. The application can be completed online at www.pacific.edu/admission.

When completing the FAFSA you will need Pacific's school code 001329. If you have any questions please refer to the Financial Aid website at www.pacific.edu/x27062.xml. Submit the following forms to the Certifying Officer located in the Registrar's office, on the first floor of Knoles Hall:

- 22-1990 application for educational benefits or 22-1990e application for family members to use transferred benefits or 22-5490 application for survivors/dependents (whichever is applicable)
- DD 214 (discharge form)
- Certificate of eligibility letter (C.O.E)

If you are missing any of these forms, turn in what you have while you are waiting for the remaining forms.

Once you are registered in courses and eligible to receive VA benefits you must IMMEDIATELY notify the Certifying Officer of any of the following:

- Add/Drop courses after the last day to add/drop. This date varies by term and can be found on the current Academic Calendar. Failure to report any changes could result in an overpayment from the VA that could require you to make a repayment. However, certain mitigating circumstance may result in an “overpayment forgiveness” by the VA, but this is NOT A GUARANTEE.
- Address changes
- Change(s) to your program of study

Be sure to read ALL correspondence sent to you, these often contain VA requirements and information that will directly affect you. All correspondence is sent through your Pacific email.

We know that this can be a stressful time and this form is a tool to help assist you with the steps that need to be taken as a new or returning student at Pacific. This form is not intended to answer all your questions but more as a guide to start you on the path for success.
