

2025-2026 Academic Year Student Housing Agreement

Date: {Date}

University of the Pacific is excited to welcome you home to on-campus housing. In short, Pacific provides the housing and the maintenance of the facilities, and you treat your fellow students, your room, and the common space with care.

This Student Housing Agreement (“Agreement”) is a legally binding license between the University of the Pacific (“Pacific”), and the individual named below (“Student”). Responsible Parties should read through the Agreement carefully to understand the obligations of living in Pacific housing.

> *1 Students who wish to include legally recognized spouses, registered domestic partners or any other legally recognized partnerships must present a valid, certified copy of a Certificate of Marriage, Certificate of Registered Domestic Partnership, or similar document issued by a government or other legally authorized authority to request the non-student party to share their licensed premises, subject to the approval of the Office of Residential Life and Housing. 1. Term; Effective Date:

****a. Term.**** The term of this Agreement and license is for the 2025-2026 Academic Year (“Term”). The Term begins on the annually published move in dates. Unless terminated earlier as provided in this Agreement, the Term continues through the academic year. The general university academic calendar will govern this Agreement. At Pacific’s sole discretion, Students may be authorized to check-in prior to the beginning of the Term but may be assessed additional daily room and dining plan charges. This Agreement may not be terminated prior to the end of the Term except as provided in Section 6, “Breach, Termination or Abandonment; Fees”.

****b. Winter Recess.**** All Stockton Housing and Dining Assignments, including fraternities and sororities, are closed during the winter recess. Students may apply for Winter Recess housing at an additional cost. All Sacramento Housing will remain open during the winter recess; however, Sacramento Dining may be closed.

****c. Effective Date.**** This Agreement is not effective until: (1) the Student is admitted to a degree-granting program and accepts their offer of admission; (2) the Student and any Responsible Party submit a signed Agreement electronically; and (3) is assigned to a Housing Assignment by the Office of Residential Life and Housing. Once the Student is assigned to a Housing Assignment, the Agreement is effective as of the date and year listed next to the Responsible Party’s signature (“Effective Date”).

****d. Failure to Check-In.**** Regardless of whether the parties have a signed Agreement, Pacific may cancel the reservation of any Student who fails to officially check-in to their assigned space before 9:00 AM on the first day of classes of each term/year, or if during the Term, 24 hours after the Agreement is signed, unless arrangements have been made with the Office of Residential Life and Housing. Cancellation fees may apply.

2. Occupancy and Inspection:

This Agreement is a license—a legally binding contract—that covers all room assignments, use of common space and, where applicable, meal plans in Pacific on-campus housing consisting of residence halls, apartments, Greek houses or other affiliated housing (“Housing Assignment”). As of the Effective Date, Pacific grants Student permission to occupy and use their Housing Assignment at the beginning of the Term as set forth in Section 1(c). Student agrees to use Pacific Housing in accordance with (a) all federal, state and local laws, rules and regulations (collectively, “Laws”); (b) all University policies, codes,

publications, rules and procedures including, without limitation, the Pacific Honor Code, Tiger Lore, the Pacific Student Code of Conduct Policies, the Pacific Catalog, publications of the Residential Life & Housing Office and all other Pacific publication, code, regulation or policy, in current form or as amended (collectively, "University Rules"), and (c) the terms and conditions of this Agreement. Student will only use Pacific Housing in a reasonable manner including the reasonable use of all electrical, plumbing, sanitary, heating, ventilation, air conditioning, and other facilities. When Student moves in, they will inspect the Pacific Housing Assignment and give Pacific a report of any existing damaged conditions to the room or apartment.

Pacific reserves the right to reassign Students at any time during the Term, to consolidate Students, and to use unoccupied space in any residence hall, apartment, or Greek facility. This license is for a commitment to a general residential space but not a specific room or apartment. Students may request a single room or may request to be housed with specific other students. Students must complete a roommate(s) preference survey indicating their requests for specific other students or other students with shared interests. Pacific will attempt to accommodate mutually requested room assignment requests but cannot guarantee such assignments. Students may not change assigned rooms without the written permission of Pacific's Office of Residential Life and Housing.

3. Student Dining Plan:

All Stockton students residing in campus housing are required to participate in a Pacific Meal Plan during the Term. Meal Plans on the Sacramento campus are optional. Students residing in the fraternities and sororities are required to participate in either a Pacific or a fraternity/sorority meal plan during the Term. Students residing in the residence halls, and Students residing in the fraternities and sororities who do not participate in their fraternity/ sorority meal plan, must participate in at least a 15 Meal Plan. Except as provided in the next sentence, Students residing in apartment communities must participate in at least a 7 Meal Plan. Health Science/trimester residents in apartments, all Sacramento students and students in Family Housing apartments may choose any available meal plan option. Pacific will transfer up to 300 unused dining points from the fall term to the spring term (fall term to spring term and spring term to summer term for Health Science Students). Unused points are forfeited at the end of the Term of the Agreement or early contract termination. Except for the carryover of points described above, dining points are otherwise nontransferable. **Students may not lower their meal plan after the beginning of the Academic Year or other deadline date published by Residential Life & Housing.**

Exceptions or reductions to the resident dining plan will only be considered through the petition process for documented medical reasons, religious restrictions, or participation in Pacific co-operative

experiences. Additional meal plan rules published by Residential Life & Housing, in current form or as amended, are incorporated herein by reference.

4. Housing Fees and Costs:

For the Housing Assignment and meal plan (Stockton students), Responsible Parties agree to pay Pacific the amounts listed as follows:

****a. Non-refundable Housing Pre-payment.**** Responsible Parties agree to pay a non-refundable housing pre-payment in the amount outlined in the Housing Preference Form. This housing pre-payment will be credited to Student's Pacific account by the second week of the first semester of occupancy, except as stated in Section 6, "Breach, Termination, or Abandonment; Fees".

****b. Room and Common Area Assessment.**** Responsible Parties agree to pay for all loss or damage, normal wear and tear excepted, caused to the floors, walls (including tacks, nails, and tape), windows, ceilings, appliances (if any), fixtures, furnishings, plumbing, electrical wiring, or other Pacific property for which Student is responsible (whether caused by the Student, Student's Guest(s), Emotional Support and Service Animals, or otherwise). Residents of a room, apartment, building or floor may be held jointly and severally responsible for the loss or damage of shared space. Responsible Parties agree to promptly pay to Pacific the labor and material costs of such repair and cleaning, prorated as deemed appropriate by Pacific among, if a room, each resident of the room, or if a common area, each resident who uses that common area. Pacific includes rental insurance as a part of student housing rates. *2)*

> *2) University of the Pacific offers insurance, see: ([Grad Guard | College Life Protected])(<https://gradguard.com>)).

****c. General Student Housing.**** For the Term, Responsible Parties are required to pay a Housing Fee by Pacific's established due dates. Rates are published prior to the beginning of the fall semester and are available from the Office of Residential Life and Housing Office. Rates are subject to change by Pacific upon 90 days written notice to Student.

****d. General Student Dining Fees.**** For the Term, Responsible Parties are required to pay applicable Dining Fee by Pacific's established due dates. Rates are published prior to the beginning of the fall

semester and are available from the Office of Residential Life and Housing Office. Rates are subject to change by Pacific upon 90 days written notice to Student.

****e. Keys.**** Student agrees to use all due care in maintaining keys to the Housing Assignment and agrees to reimburse Pacific for all costs, such as key and lock replacement, associated with Student's loss or misuse of keys. Students may not dismantle, alter, or change their keys or locks without the express permission of the Office of Residential Life and Housing. Additional locks cannot be added to the Housing Assignment.

****f. Abandoning/Vacating Housing Assignments Before End of Term.**** Any Student who abandons/vacates any Pacific Housing Assignment before the end of the Term without an official, written, approved release from the Office of Residential Life and Housing will continue to be liable for all fees and charges arising during the Term.

****g. Failure to Check-In.**** Students who fail to officially check-in and make payment by the first day of the Term (or make other arrangements approved by the Office of Residential Life and Housing) will forfeit their space in Housing and the Non-Refundable Housing Pre-Payment.

5. Prorated Charges:

If the Responsible Party contracts for a Pacific Housing Assignment for less than a full Term, or if Student is released by Pacific from this Agreement including as a result of a termination of the Agreement under Section 6 below for a cause other than Responsible Parties' breach of this Agreement, Responsible Parties agree to pay charges according to the following rules:

a. Except as set forth in Section 5(b) below, Student agrees to pay all applicable housing fees and costs (as described in Section 4, "Housing Fees and Costs") on a prorated scale based on the number of days of occupancy. Where applicable, student dining plans will be prorated based on usage or number of days of occupancy, whichever is greater.

b. If Student checks-in or signs-up within the first fourteen (14) days of the Term, Student agrees to pay any housing and dining fees from the first day of the Term. If Student officially checks-out during the last

fourteen (14) days of the Term, Student agrees to pay housing and dining fees, if applicable, through the last day of the academic year.

6. Breach, Termination, or Abandonment; Liquidated Damages:

a. Pacific and Responsible Parties agree that every clause in this Agreement is material. Any breach by a Responsible Party of any part of this Agreement constitutes a material breach of the whole of the Agreement. Breaches of this Agreement include but are not limited to:

1. Abandonment of premises by Student prior to end of the Term (notwithstanding Section 5(b)),

2. Student is or becomes a registered sex offender or is considered a dangerous person indicating behavior that poses a risk to person or property, or that is injurious or disruptive to the residential community,

3. Failure to provide correct material information on Student's admission documentation,

4. Student withdraws, is suspended, or dismissed from the Housing Assignment or Pacific; and

5. Student is found to have violated any term or condition of any Laws or University Rules.

b. For any breach by a Responsible Party, Pacific will provide the Responsible Party with a written three-day notice that describes the breach and demands that the Responsible Party cure the default, if a cure is possible. If a Responsible Party does not cure the default within the three days, or if Pacific concludes a cure is not possible, this Agreement may be terminated by Pacific at its sole discretion. Upon

termination of this Agreement for any reason, Student must vacate the Pacific Housing Assignment immediately.

c. If this Agreement is approved to be terminated for any reason prior to the end of the Term, Responsible Parties forfeit to Pacific any Housing and Dining Fees for that academic year up to the prorated amount due under Section 5(a) above (if applicable), and Responsible Parties must pay the termination fee as required under Section 6(d) below. Should Student be re-admitted to Pacific Housing in future academic years, such forfeited Housing and Dining Fees will not be applied to Student's new housing agreement.

d. Liquidated Damages for Termination.** *Responsible Parties agree and understand that if their actions lead to termination of the agreement by Pacific, or if the agreement is approved to be terminated, this will cause Pacific to incur losses of types and in amounts that are impossible to calculate with certainty.? For this reason, Responsible Parties agree that "liquidated" (that is, predetermined) damages represent a fair, reasonable, and appropriate estimate of Pacific's losses in that situation. When this happens, Responsible Parties agree that they will be liable to Pacific for liquidated damages in the amount of One Thousand Dollars (\$1,000.00) if the agreement is terminated for any reason on or after May 1, 2025. Agreements terminated on or after July 15, 2025 will be subject to fees in the amount of Two Thousand Dollars (\$2000.00). Such liquidated damages are not intended as a penalty, and Responsible Parties will pay them to Pacific without limiting Pacific's right to terminate this agreement for default as provided elsewhere in this agreement.*

Requests to terminate this Agreement are granted at the sole discretion of the Office of Residential Life and Housing's Petition Review Committee under rare and extenuating circumstances and only after all other residential options have been explored.

Notwithstanding the foregoing, this Agreement may be terminated, and no liquidated damages will be owed by the Responsible Parties under the following conditions:

1. Student ceases to be a student by reason of graduation, transfer, leave of absence, or termination of student status at Pacific;
2. Student withdraws from Pacific prior to being assigned to a Housing Assignment;
3. Student marries or enters into a registered domestic partnership after the execution of the Agreement (proof of marriage or registered domestic partnership required – see Section 7(f) below);
4. Pacific terminates this agreement based on governmental orders or for purposes of health and safety of the Pacific Community; or
5. Other rare and extenuating reasons subject to the written approval of the Office of Residential Life and Housing's Petition Review Committee or the Residential Life and Housing Office.

7. Personal Property:

Responsible Parties are responsible for all Student personal property and any damage to Pacific Housing, other personal property or any person caused by Student or Student's Guest(s) or the storage or use of the personal property in the Pacific Housing Assignment, other Pacific buildings or on Pacific grounds. Pacific does not assume any obligation to pay for the loss of or damage to items of personal property of Student that occurs in the Pacific Housing Assignment, in Pacific buildings or on Pacific grounds. Pacific assumes no responsibility for property left after abandonment of Pacific Housing Assignment or termination of Agreement.

8. Health and Welfare Check:

Pacific will respect Student's right to be free of unreasonable searches and intrusions in Student's Assignment, with reasonableness to be determined by Pacific in its sole discretion and in its efforts to protect the safety and health of persons and property. Notwithstanding the preceding sentence, authorized Pacific personnel may enter the Student's Assignment under the following conditions:

a. Upon twenty-four (24) hours **prior notice** to the Student and approval from the Office of Residential Life and Housing, authorized Pacific personnel may enter, search, or prepare the Student's room/apartment for new occupants during normal Pacific business hours for reasons pertaining to:

1. health, safety, general welfare;

2. to make necessary repairs, improvements, or preparation for new occupants for shared spaces. Students that share spaces are expected to not encroach upon shared bedroom space at any time. For shared common area space in the unit, University of the Pacific reserves the right for university personnel to prepare the room for a new occupant. This includes but is not limited to cleaning, removal of trash and all necessary tasks to prepare the space.

3. to ensure compliance with this Agreement including, without limitation, all University Policies.

f. Written notification will be left in the room/apartment whenever there has been entry without prior notice.

9. Maintenance of Premises:

Student agrees to give reasonable care to the Housing Assignment and Pacific Housing generally, its furnishings and common areas and to make payment for any damage or loss caused by Student or Student's Guest(s) promptly upon demand by Pacific according to Section 4(c) of this Agreement. The furniture and fixtures provided by Pacific for use in a particular room/apartment/common area may not be removed from the room/apartment/common area without express written permission from the Office of Residential Life and Housing.

Student acknowledges that it is necessary to keep the room or apartment clean and take measures to prevent mold or mildew from accumulating in the Housing Assignment. Student is responsible for cleaning the Housing Assignment on a regular basis and removing visible moisture from windows, walls and other surfaces.

Student may not repair any damages to Pacific facilities or furnishings. Repair requests may be submitted to the Office of Residential Life and Housing by FAMIS request via the Housing Portal. **By submitting a repair request, Student grants Pacific personnel permission to enter, without prior written notice, their Housing Assignment in their absence to complete the requested repair.**

10. Stockton Guests:

If Student fails to immediately remove the animal, Pacific will terminate this Agreement and Responsible Parties agree to pay the fees and costs set forth in Sections 4, "Fees and Costs" and 6, "Breach, Termination, or Abandonment; Fees". Further, Pacific may deny Student the opportunity to live in campus housing in the future.

b. Notwithstanding the foregoing, Emotional Support and Service Animals are not considered "pets". Responsible Parties agree to be responsible for all collection costs and reasonable attorney fees and costs associated with the collection of any outstanding financial obligations. Available excess balances in student housing or dining accounts may be used to offset other financial obligations to Pacific.

16. Entire Agreement; Amendment:

This Agreement, including University Rules and all other referenced documents, is the full, complete, sole, final, and exclusive agreement of the parties concerning the matters covered by this Agreement and the rights granted and duties undertaken as between the parties. APPENDIX "A"

NOTICE OF RISK

You have requested permission to live in University student housing for the 2025-2026 academic year.

While living in student housing, you will be exposed to certain risks, and it is vital that you understand those risks. When you submit your signed Housing Agreement, you are acknowledging acceptance of these risks. You will not be allowed to live in university housing unless you accept these risks.

Therefore, we need you to understand that the following risks and conditions will apply to your on-campus student housing:

1. The university is subject to regional, state, and federal health department oversight in connection with its housing of students, and you understand that the university is obligated to respond as directed by such authorities.

2. You will be required to comply with university campus social distancing policies and guidelines, if any. This is will be a matter of university policy and will also be a term of your housing agreement.

3. You understand that by residing in on-campus housing, it is possible you may be exposed to, and be infected with, the COVID-19 virus.

4. Ultimately you are solely responsible for obtaining any medical care you may require.

5. The public health situation may worsen, or the university may be required to take further actions to reduce the number of people living in university housing. In such an event, you may be required to vacate on-campus student housing immediately at the direction of the university.

6. If you are diagnosed with COVID-19 symptoms you will be required to self-isolate. You may be required to live elsewhere or travel home. The university cannot guarantee you will be able to self-isolate or quarantine safely in on-campus student housing. However, there is a risk that it may be difficult, if not impossible, to find other living quarters, on-campus or elsewhere if that happens.

7. Travel during a time of pandemic may become far more difficult if travel restrictions are imposed or if transportation becomes more limited.

8. If you test positive for infection by the COVID-19 virus, or if it is believed you have been exposed to someone infected by the virus, you may be required to self-isolate or quarantine in compliance with regional, state and federal guidelines. It will be your responsibility to make arrangements to self-isolate or quarantine, and you may be required by local or federal authorities to quarantine in designated facilities with other infected or quarantined people.

9. Student Health Services will serve in a consultative role for students. Student Health Services will offer telehealth consultations. Student Health Services healthcare staff will make referrals for off-campus medical visits with community-based healthcare providers as warranted. Students who test positive or have symptoms that require face-to-face medical treatment will be referred off-campus.

10. The university may need to consolidate or relocate residents for operational or health-related reasons, or at the direction of authorities. The university does not guarantee that you will remain in your room assignment. The university may move you at any time (and multiple times) to other on-campus student housing in its sole discretion and without notice.

When you submit the 2025-2026 Housing Request Form, you are acknowledging and accepting the risks we have set out here.
