THE AFRICAN AMERICAN MILITARY EXPERIENCE: FROM REVOLUTION TO CIVIL RIGHTS

INSTRUCTOR: JOHN LANGELLIER

After the war, Black soldiers gained congressional approval to enlist in the peacetime Army, leading to the formation of the "Buffalo Soldiers." This course traces their service from the War of 1812 to World War II, highlighting their valor in conflicts abroad and their struggle against segregation and discrimination at home. CULTS, COGNITIVE DISSONANCE, AND AMERICA-- OH MY!

THURSDAY, DEC. 11

GAIL KNAPP, RETIRED PROFESSOR

Gail retired after 38 years as a psychology professor at a Michigan community college, where she served as vice president of the faculty association, chair of the college's academic body, and author of two psychology textbook instructor manuals. She was the chapter advisor and state coordinator for the Phi Theta Kappa honor society. Her degrees include a BA from Stony Brook University, an MA from Hofstra University, and a PhD from Michigan State University and at the age of 62, a JD.

Currently, Americans are experiencing vast cultural divisions that have not been seen in our lifetime. How has it happened? What exactly is happening? And how can we interact with each other even when we each see the world from a very different perspective? When we meet for this lecture, Thanksgiving will have just ended. How was it? If it was not good, what could have made it better?

THE OLLI WAY

As a lean staff, we do the very best we can to provide an outstanding experience for each and every OLLI member. Our community values kindness, positivity, patience, and respect—something we call The OLLI Way. These values are critical as members, staff, and volunteers interact with one another. They are especially important as we manage the logistics, fun, and excitement associated with each new OLLI term. Thanks to all of you for embracing the OLLI Way.

Important Information about Parking on Campus

Parking on campus at University of the Pacific is by permit only. Public Safety officers enforce traffic and parking permit regulations on campus and patrol campus parking on a regular basis. Parking lot permits are enforced Monday through Friday from 8am to 5pm on the Stockton Campus. Vehicles without the correct parking permit may be cited.

YOU HAVE OPTIONS:

- 1) **RECOMMENDED/BEST VALUE:** You can purchase guest parking on the Passport Parking app with your smart phone. Parking fees are \$2 per hour or \$8 per day. <https://www.passportparking.com/>
- 2) You can purchase a parking permit through the university Parking Portal Website:
<https://pacific.cmrpay.com/permits/login>
You can purchase a "B" lot permit or a "C" lot permit as an OLLI at Pacific member (aka: student).

PLEASE NOTE: YOU CAN NO LONGER PURCHASE A PARKING PERMIT THROUGH THE OLLI AT PACIFIC OFFICE. YOU MUST NOW UTILIZE THE UNIVERSITY PARKING PORTAL WEBSITE.

B Lot Parking Cost:

\$200/YEAR

Good from the beginning of the school year and ending at the start of the next school year.

\$120/SEMESTER

Fall: Good from the beginning of the school year until the end of winter break.

Spring: Good from the beginning of the Spring Semester to commencement.

\$50/MONTH OR DURING SUMMER

Month: Good for thirty days from the date of purchase

Summer: Good from commencement until the next school year begins

**"B" LOTS ARE LOCATED AT:
LOTS 2, 3, 4, 6, 7 & 19. SEE MAP ON PAGE 31**

C Lot Parking Cost:

\$25 PER YEAR

IMPORTANT: If you have a handicap placard-DMV issued permit, you can purchase the "C" permit and park in any designated handicap accessible parking stall regardless of permit type.

**THERE IS ONE "C" LOT LOCATED AT LOT 1.
SEE MAP ON PAGE 23.**

Multiple license plates may be entered for one permit but only one vehicle is allowed on campus each day. When two or more vehicles registered to the same permit are located on campus in the same day all vehicles will be cited.

You will no longer receive a physical permit. Under the new virtual system, your license plate functions as your permit. You only need to check your email for a confirmation email showing that your permit purchase was approved. Also, please make sure your vehicle has a front and back license plate.

All motor vehicles are brought onto the university grounds at the owner's risk and the university undertakes no responsibility for their safety or security. The university is not responsible for loss or damage to property arising from bringing a motor vehicle onto any university grounds. There are no refunds, upgrades or downgrades for purchased parking permits. All purchases are final.

For more information about campus parking, check out the university's FAQ page:
